INDIANA UTILITY  
REGULATORY COMMISSION

CAUSE NO. 42453

You are hereby notified that on this date the Indiana Utility Regulatory Commission makes the following entry in this Cause:

On September 11, 2003, the Indiana Office of Utility Consumer Counselor ("Public") filed an *Agreed Motion to Further Amend Procedural Schedule* ("Motion"). The Motion states that there has been a delay by the Petitioner in this Cause, Globcom Incorporated, in providing discovery responses to the Public. The Motion requests that all remaining prefilng deadlines be vacated and that the continued evidentiary hearing date be retained to establish a new procedural schedule if the parties are not prepared to proceed to hearing. The Motion also states that Petitioner consents to this requested relief.

Having considered the Motion, the Presiding Administrative Law Judge hereby grants the Motion as follows: All remaining prefilng deadlines in this Cause, starting with the Public's prefilng deadline of September 11, 2003, are vacated. The continued evidentiary hearing date of October 7, 2003, is not vacated. Insofar as the Motion indicates a possibility that the parties will want to proceed to hearing on October 7, 2003, and since the existing prehearing schedule has been vacated, the parties should prefile all of their direct and rebuttal testimony and exhibits at least five days prior to October 7, 2003, if they intend to use that date for an evidentiary hearing and not as a date to establish a procedural schedule and new continued evidentiary hearing date.

**IT IS SO ORDERED.**
